

**Deck Department License
 Prep Courses at MITAGS
 (Spring / Summer /
 Fall 2010)**

CHIEF MATE / MASTER, UNLIMITED TONNAGE, OCEANS LICENSE PREP

This license prep course is designed for mariners that have completed the 12 weeks of required STCW95 CMM training and desire assistance in preparing for their unlimited tonnage oceans exams.

The 25-day License Prep. Courses provide a complete review of both terrestrial and celestial navigation in preparation for the USCG license exam. Frequent practice exams utilize actual Coast Guard Rules of the Road questions. The theory and practice of vessel stability and trim calculations are reviewed in preparation for the USCG license exam, along with the Deck Safety and Navigation General modules of the USCG license exam.

MITAGS strongly recommends that candidates seek Coast Guard approval to sit prior to the start of LAP. The last week of the course is reserved for approved candidates to take the Coast Guard Exam at REC Baltimore (MITAGS if Coast Guard resources permit).

LICENSE ADVANCEMENT (LAP)	MARCH 29 TO APRIL 30, 2010 SEPTEMBER 20, TO OCTOBER 22, 2010	TUITION: \$3,400
